- 1. Planning Application – Endsleigh, Alma Terrace, Brynmawr.**  
Complete removal of sycamore tree (TI) covered by TPO No. BG120.  
Reason for work – Boundary wall unstable as identified by BGCBC workers, all options have been sought to preserve the tree but due to significant delay in response to previous applications, further damage has been caused.  
Various Members commented that the tree has been there for many years and is a shame nothing can be done to save it.  
The Planning Committee recommends to Full Council that there be no objection to the application.
- 2. Planning Application – 171 King Street, Brynmawr.**  
Demolition of existing rear extension. Proposed basement construction and ground/first floor rear extension.
